## Luxury Bespoke Tailoring

HANDCRAFT TAILORING

The high quality of the ancient tailoring tradition for the luxury of today.

In a refined, reserved and exclusive environment, in the heart of old town Torino, Gallotto tailoring realizes with the utmost care of details and cutting precision, suits, skirts, gilets and coats entirely handcrafted and tailored according to customer requirements.

The realization of the tailored garment is entirely shaped on the customer's body, making an unique garment.

The suits are made by expert tailors ingrained since long time in their noble and patient profession.

The expertise, supported by the passion that accompanies us constantly, has allowed to expand our network of customers, which, thanks to the use of the most prestigious fabrics currently present on the market, mainly from Biella, are always more satisfied with the offered product. To name a few, for instance, Loro Piana, Scabal, Fratelli Tallia di Delfino, Piacenza, Vitale Barberis Canonico.

The choice of the cloth, taking measurements, drafting the paper pattern and the accurate fitting are the characteristic than make perfect and charming the suit create by our masters.

*Our service is offered at home, in confidence, wherever the customer is located.*
